Delivery at Scripps Memorial Hospital, La Jolla

IGO patients deliver at Scripps Memorial Hospital in La Jolla, where the staff provides superior care in a modern, state-of-the-art facility. An IGO physician is always on call to take care of you and your baby. Scripps offers 24-hour anesthesia services by an anesthesiologist devoted to labor and delivery. Scripps Memorial is proud to be pursuing a designation as a Baby-Friendly facility and strives to provide family-centered care that emphasizes breastfeeding and family bonding. When needed, the neonatal intensive care unit at Scripps is a Rady Children's Hospital satellite unit, fully staffed by nurses and neonatologists from Rady Children's Hospital to provide the best possible care for your baby.
